2021 MARE – ON-SITE BREEDING CONTRACT

Man Who Wouldbe King

- 1. BRAZOS VALLEY EQUINE HOSPITAL, NAVASOTA, PLLC reserves one breeding for the mare:

(Enter mare’s registered name)

(Enter mare’s registration number)

With a **Stud Fee of \$500**, payable to BVEH, for the 2021 breeding season, Feb 1st to August 1st, 2021 and includes a live foal guarantee. A copy of the mare’s registration papers is required for this contract. If mare is being leased for breeding purposes, a copy of the AQHA lease agreement **MUST** be attached to the contract. The Stud Fee and Semen Collection & Processing fee, as specified above, must be paid prior to collection of the stallion. **Semen will NOT be shipped without payment of the Stud Fee AND Collection Fees.**

No chute fee will be charged. There is a **Semen Collection & Processing fee of \$350.00** per collection for on-site breeding. In the event that cooled semen should not be available, the mare owner will be offered frozen semen. Not included are services performed on the mare including but not limited to palpations, ultrasounds, routine inseminations, breeding soundness exams, special insemination procedures, uterine treatments, hormone therapy, embryo transfer, diagnostic testing, cooled semen shipment, and pregnancy checks. These items will be billed separately.

- 2. If your mare will be an embryo donor, BRAZOS VALLEY EQUINE HOSPITALS can perform the embryo flush and transport the embryo to a separate embryo transfer facility of the Mare Owner’s choice. A separate contract is required for each breeding to this mare if more than one pregnancy (via embryo transfer) is desired. A separate contract is required for the embryo recipient facility (provided by BVEH). This contract provides for one (1) Breeder’s Certificate. If multiple embryos are retrieved from one breeding, it will be the responsibility of the Mare Owner to notify BRAZOS VALLEY EQUINE HOSPITALS of number transferred. Multiple pregnancies from a single breeding and embryo flush will be honored by this contract.

Embryo Facility

- 3. If your mare is going to be bred onsite at Brazos Valley Equine Hospitals, Navasota, current (within 12 months) negative Coggins is required. Proof of vaccination for Influenza and Rhinopneumonitis within the last 6 months, West Nile virus, Rabies, Strep equi (Strangles) and Encephalitis within the last 12 months must be provided. Mares arriving with inadequate vaccination history will be vaccinated at the Owner’s expense at the time of arrival.
- 4. BRAZOS VALLEY EQUINE HOSPITALS veterinarians will check the mare for normal breeding conditions and perform other such services as BRAZOS VALLEY EQUINE HOSPITALS deems necessary and the Owner shall pay the expense for such services. These services include, but are not limited to, worming, treatment for uterine infection, treatment for cuts and abrasions, preventative measures, and emergency services.
- 5. Accounts will be billed at the time of service to the credit card provided. **SEMEN WILL NOT BE RELEASED BY BRAZOS VALLEY EQUINE HOSPITALS UNTIL THE ACCOUNT IS PAID IN FULL.**
- 6. To obtain a “breeder’s certificate” you must notify Brazos Valley Equine Hospitals of the birth of the foal. Certificate will not be issued if the account has not been paid in full. The stallion owner is responsible for signing the breeder’s certificates.
- 7. Any dispute related to this contract will be governed by the laws of the State of Texas and venue of any dispute arising from this Contract shall be in Grimes County, Texas.

8. This contract is non-transferable nor assignable without prior written consent from BRAZOS VALLEY EQUINE HOSPITALS.

There will be a 3% added processing fee for VISA, Discover, and MasterCard transactions. There will be a 5% added processing fee for AMEX transactions. By signing below, the customer listed above acknowledges and agrees to pay the stated processing fees for any transactions by BVEH and BVEH subsidiaries.
