NOW HIRING

Equine Veterinary Technician / Doctor Assistant

Brazos Valley Equine Hospitals • Navasota, Texas

FULL-TIME OPPORTUNITY	EQUINE-FOCUSED TEAM	HANDS-ON PATIENT CARE

Join Our Equine Veterinary Team

Brazos Valley Equine Hospitals is looking for a **dedicated, compassionate, and motivated Equine Veterinary Technician or Doctor Assistant** to join our growing team in Navasota, Texas. This is an excellent opportunity for someone who enjoys hands-on equine medicine, working closely with veterinarians, and being an important part of delivering exceptional patient care.

What You'll Do

Hands-On Equine Patient Care

- Assist with thorough patient examinations and routine veterinary procedures.
- Provide safe, calm, and compassionate equine handling and restraint.
- Follow veterinary treatment plans and administer medications as directed.
- Assist with surgical procedures and other hospital services as needed.
- Support veterinarians with patient preparation, examinations, diagnostics, and treatments.

Doctor & Hospital Support

- Work closely with veterinarians to keep appointments and patient care running smoothly.
- Assist with billing and other documentation related to patient visits.
- Maintain accurate and complete medical records.
- Keep doctor workspaces, treatment areas, and equipment clean, organized, and ready for use.
- Help maintain an efficient, professional, and emergency-ready hospital environment.

Diagnostics & Technical Skills

- Assist with diagnostic procedures, including equine radiography/X-ray imaging.
- Apply knowledge of equine physiology and veterinary procedures to support patient care.
- Continue developing technical skills and knowledge through hands-on experience and training.

Communication & Teamwork

- Communicate clearly and professionally with veterinarians, technicians, clients, and coworkers.
- Work collaboratively and willingly step in wherever the team needs support.
- Contribute to a positive, respectful, and solution-oriented work environment.
- Bring a proactive, dependable, and 'go-get-'em' attitude to each day.

What We're Looking For

- Strong equine handling skills and confidence working around horses and donkeys.
- Knowledge of animal physiology and common veterinary procedures.
- Experience with equine restraint, patient care, and veterinary technician duties.
- Experience with equine X-ray/radiographic diagnostics.

- Excellent communication and interpersonal skills.
- Customer-service minded and comfortable working with clients.
- A dependable team player who takes initiative and enjoys staying busy.
- A compassionate approach to patient care and a commitment to doing things well.

The Equine Lifestyle

This is a hands-on position in a true equine hospital environment. Candidates should enjoy being active and working directly with patients and the veterinary team. The position requires the ability to work outdoors in both hot and cold weather and to participate in the physical demands of equine medicine.

- Jog horses for lameness examinations
- Bend, crouch, kneel, and work comfortably around equine patients
- Lift and carry up to 50 pounds
- Safely handle and restrain horses and donkeys
- Remain active and on your feet throughout the workday

Why Join Our Team?

If you love horses, enjoy hands-on veterinary medicine, and want to be part of a team that values excellent patient care and collaboration, we would love to meet you. This role offers the opportunity to build your equine veterinary skills while working alongside experienced veterinary professionals in a busy hospital setting.

Bring Your Horse Sense. Build Your Skills. Be Part of the Team.
